Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HELP! THERE S A LIBERAL IN THE CORNER OFFICE.

Townhall Press, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Yeah.it s true. It s pretty darned hard to be a principled conservative in today s corporate world. In fact, it more or less can get you fired. In nearly 20 years seeking the perfect-storm of merit, principle, dedication, faith, fact, truth, right-is-good-and-wrong-is-just-wrong governed by general honesty in the modern day Corporate America I am sorry to break it to you; it just doesn t exist. This book will chronicle real events that have happened in Corporate America; the good, the bad, the downright shocking and frankly the very frightening state of affairs of what the Everybody-Gets-A-Ribbon liberal movement and the Political Correctness nonsense have done to business. If you wanted to get work done, promote someone, fire someone, move someone, pray for someone, expose someone and generally cut through the office political goo in the Corporate environment consider yourself forewarned that the rules of the game have changed.dramatically. Kathleen Kelly is a 20-year veteran of the corporate circus holding down very senior and not-so-senior roles at some of the nation s biggest companies (and some of the smallest, never-heard-of, probably-out-of-business-by-now companies too). Born and raised on the east coast, Kelly spends much of her time ducking emotional, feel-good grenades hurled by liberal counterparts and spends free time building consensus in target practice at the gun range by working on her groupings. She is proud of her plebian State University Degree and has sworn to never utter B-school in conversation again. The self-described political freak and her equally armed spouse live in a great city in the greatest country in the world raising two future Evil Republicans who will no doubt skip the corporate circus and follow...
