Aspen Institute for Humanistic Studies,U.S. Paperback. Book Condition: new. BRAND NEW, New Approaches to Evaluating Community Initiatives: Theory, Measurement, and Analysis: v. 2: Theory, Measurement and Analysis, Karen Fulbright-Anderson, Anne C. Kubisch, James P. Connell, This book offers a progress report on work accomplished over the last few years in comprehensive community initiatives (CCIs), a relatively new approach to community revitalization. Connell and Kubisch define a theory of change approach to CCI evaluation and describe steps stakeholders can follow to carry one out. Several practitioners share their experiences with the theory of change approach, together providing an up-to-date portrait of the field. The book provides an overview for understanding how to apply the approach and examples of its benefits and challenges. It offers new insights and information which can help CCI stakeholders approach the evaluation enterprise with greater confidence that the result will meet their various needs.
