Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **What I Have Seen While Fishing and How I Have Caught My Fish** The first edition sold so quickly that only half of the kindly Press Notices were in time to aid in its sale. So numerous were the letters of appreciation and orders for further copies that a second edition became a matter of course. I have striven successfully to cope with letters from my readers asking for advice as to places and fishing gear, and many of my lines and traces have gone in samples. It is a pleasure to me to aid a brother sportsman, and I hope to be equal to replying to those who may not get all the information they may require from this new edition.
