Scribner Book Company, United States, 2014. Paperback. Book Condition: New. Revised ed.. 233 x 157 mm. Language: English . Brand New Book. Former President George H.W. Bush, revealed through his letters and writings from 1941 to 2010, is worth its weight in gold.a valuable update of the life of an honorable American leader (The Washington Post). (People) Though reticent in public, George Bush openly shared his private thoughts in correspondence throughout his life. They will also observe a devoted husband, father, and American. Ranging from a love letter to Barbara and a letter to his mother about missing his daughter, Robin, after her death from leukemia to a letter to his children written just before the beginning of Desert Storm, this collection is remarkable for Bush s candor, humor, and poignancy. An unusual glimpse of the private thoughts of a public figure (Newsweek), this revised edition includes new letters and photographs that highlight the Bush family s enduring legacy, including letters that cover George W. Bush s presidency, 9/11, Bush senior s work with President Clinton to help the victims of natural disasters, and the meaning of friendship and family. All the Best, George Bush will shed more light on the man...
