DOWNLOAD

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you d like to improve your ability to learn and memorize English grammar principles by as much as 100 , 200 , even 300 (or more) . using simple memory techniques that you can learn in 15-20 minutes (or less), then this may be the most important book that you will ever read. Believe it or not, it doesn t matter if you have a good memory or not. The information in this book will teach you: Why memory is like a bicycle everyone can ride (with some minor personal adjustments). The real reason why no one should ever be squeamish about memorization or learning a language. Why and how some of the most famous memory skills are applicable to learning any language, especially English. How you can create a focused Memory Palace system for memorizing English grammar rules. Unique techniques that will have you literally tuning in on the English language. How to approach English grammar concepts in the most effective manner for memorization. Two secret ways you can use relaxation to aid the memorization process. These two methods alone are worth the price of this book because they will literally eliminate the stress and apprehension you face as you struggle to learn English vocabulary. (After reading this book, you ll never struggle again). And much, much more . These techniques have been used by real language learners, most of whom previously considered themselves owners of a bad memory to make real strides in learning English. Don t worry! None of these techniques are rocket science. Frankly, if you can memorize a short email address or the name of a movie, then you can use this..
