This factor of accessibility is of vital importance, as it means an enormous saving of time and money--with a guarantee of the car being ready for service every hour of every working day. The one live burning question that should be uppermost in the mind of a prospective purchaser of a commercial truck is: What will it cost the first, second and years thereafter? In this particular respect the Grabowsky shines over all competitors--this needs explaining. There are 38 working connections, on the Grabowsky that are protected with hardened...
