Design Juries on Trial goes hand in hand with 2 apps for iPhone iPodTouch and iPad: 1) Design Student Survival Guide and 2) Student Survival Guide. Both available from Apple iTunes store. Keep this guide at your side! Learn how to survive and thrive in design studios--and how to prepare, present and evaluate design projects in innovative, more effective ways. Empower yourself with this book to navigate your way through design school. Learn how to manage your time, research your project, communicate effectively, produce winning graphic presentations, master technology, handle design studio stress, work with teams. . . and much more. Schedule your project, achieve worklife balance, and avoid last-minute panic and disaster before design studio deadlines. Brings you unique insights into the jury process, with the most exhaustive analysis of the jury system undertaken to date. Reveals the hidden processes that jurors use to evaluate design work. Directs you to key research resources. Provides a historical and comparative overview of design juries. Advocates an array of refreshing reforms of the jury system to share with design instructors. Features interviews with luminaries in architecture, landscape architecture and interior design including Peter Eisenman, Michael Graves, Richard Meier, Cesar Pelli, Robert A. M. Stern, and others. Based on extensive research with over 900 individuals including systematic observations and videos of juries, diaries of design students, and interviews and surveys of students, faculty, and practitioners conducted over a seven-year period. More successful work habits more effective interactions with clients, healthier relationships with co-workers and a more favorable public image are the rewards of the approach presented in Design Juries on Trial. By applying these principles, students can more successfully make the leap...
