

Bloom with English Handwriting and Phonics: Foundation Style

By Andrea Andreou

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is designed for four to six year olds who are learning the alphabet and to associate letters and their sounds while developing fine motor control. Letter sounds are taught through a variety of pictures and vocabulary. Writing coordination is developed by drawing patterns which are specific to the pencil movements used in letter formations. Teacher-directed drawing exercises are used to teach eye-hand coordination, necessary for consistent and clear writing. In this book, each alphabet letter is introduced in order of directional writing similarity. This is to reinforce correct letter formation and good writing habits.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
