Brand New Book ***** Print on Demand *****.Excerpt from Gang's Commercial Law: Revised The authors of this edition of Gano's Commercial Law have had a definite aim in the plan, arrangement, scope, and purpose of this text, in which they have incorporated the results of their experience in business, in legal practice, and in the class room. In general, the plan of the text is to treat each subdivision of a subject intensively in an expository manner, and whenever necessary to clarify each principle of law or subject explained, by a concrete example which is usually an actual court case. These cases have been selected with great care from authoritative sources and stated in such a clear and concise manner that the student will readily comprehend them. Each subdivision is followed by questions which are intended primarily to aid the student in lesson preparation. The Important Points following each general subject will focus the student's attention and afford him a means of rapid review. The test questions and case problems may be used in various ways, at the discretion of the...
