

## Outsmart the Unexpected: Grow Your Creativity the Edge-Of-Your-Seat Way

Filesize: 2 MB

### ***Reviews***

*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

## OUTSMART THE UNEXPECTED: GROW YOUR CREATIVITY THE EDGE-OF-YOUR-SEAT WAY

DOWNLOAD

Createspace Independent Publishing Platform, United States, 2008. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A fun book of no-time-to-lose, far out predicaments that you need to find a way out of (it s NOT a how-to book). Each short, edge-of-your-seat story in Outsmart the Unexpected unfolds an unusual, no-time-to-lose, and sometimes life and death predicament, and then challenges you to come up with a solution to help one of the characters out the situation they suddenly find themselves in. They re a fun way to develop your creativity, exercise your brain, stretch your imagination, and jump start your ability to think and react quickly, especially in situations where things are happening very fast. Use them to develop the skill to creatively solve problems when they suddenly arise. In some, you may need to suspend your disbelief to play along. Some will make your head spin. Others may make your heart pound. Still others will make you go hmmm. But all will challenge you to think outside your comfort zone, to look for solutions from different angles, and to not necessarily limit yourself to what you see and what the obvious solution could be. They will stretch your mind and help you to develop your ability to formulate best possible solution in situations where you must quickly decide upon a course of action and there s little available information to work with. Try your hand at inventing different endings and discussing and debating the possible solutions or interesting outcomes that you came up with. Do You think that the best solutions come from asking the right questions? Get your brain buzzing thinking up what those questions would be. Do you enjoy making up your own endings? Let your imagination run...
