

Sex, Sperm, Std s: : What Every Teenage Boy Needs to Know

Filesize: 3.9 MB

Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

SEX, SPERM, STD S: : WHAT EVERY TEENAGE BOY NEEDS TO KNOW

iUniverse, United States, 2006. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.No matter how you look at it, the teenage years are awkward times. Strange things happen to boys bodies. Their minds wander off to think about sex more than before. They think they re ready for sex, but aren t really sure. While nobody has all the answers, this book is an excellent tool for detailing everything about puberty, sex, and maturation. With practical advice and easy-to-understand explanations, this book helps parents and sons through the potentially embarrassing journey of growing up. Presented in an easy Question Answer format, the text covers everything from physical changes during puberty to the birds and bees of sex. The light-hearted writing and cartoons paired with technical details make this otherwise touchy subject easy to digest and understand. Co-written by an internationally recognized andrologist and by a high school educator, this book shares medical and personal knowledge to inquiring young boys and their anxious parents.
