World Scientific Publishing Company. Paperback. Book Condition: New. Paperback. 556 pages. Dimensions: 8.9in. x 6.0in. x 1.2in. Written for students taking either the University of Cambridge A-level examinations or the International Baccalaureate examinations, this textbook covers essential topics under both stipulated chemistry syllabi. The chapters on analytical techniques are also very enlightening to students doing higher level biology courses where a good understanding of the theoretical background of common analytical techniques is required. The book is written in such a way as to guide the reader through the understanding and applications of essential chemical concepts by introducing a discourse feature - the asking and answering of questions - that stimulates coherent thinking and hence, elucidates ideas. Based on the Socratic Method, questions are implanted throughout the book to help facilitate the readers development in forming logical conclusions of concepts. The book helps students to master fundamental chemical concepts in a simple way. Topics are explored through an explanatory and inquiry-based approach. They are interrelated and easy to understand, with succinct explanationsexamples being included, especially in areas that students frequently find difficult. Topics address the whys and hows behind key concepts to be mastered, so that the concepts are made understandable and intuitive for students. The focus is on conceptual learning so as to equip students with knowledge for critical learning and problem solving. Existing A-level textbooks and guidebooks generally introduce concepts in a matter-of-fact manner. This book adds a unique pedagogical edge which few can rival. Through their many years of teaching experience, the authors have acquired an acute awareness of students common misconceptions which are relayed through the questions and thus help to reinforce concepts learnt. Readership: Junior college students and teachers. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
