Saunders, United States, 2016. Online resource. Book Condition: New. 8th. 222 x 152 mm. Language: English . Brand New Book. Become an effective communicator in today s complex health care environment with Medical Terminology Online for Quick Easy Medical Terminology, 8th Edition. Following the organization of Leonard s Quick Easy Medical Terminology text, this media-rich online course takes an outcome-based approach to learning by presenting information, then immediately testing comprehension, in small segments. New audio reviews, interactive exercises, fun new games, and new animations demonstrate the practical application of medical language and make learning medical terminology easier. Best of all, when combined with the text and its ancillaries, Medical Terminology Online gives you everything you need to acquire the building blocks of medical terminology. Outcome-based learning includes objectives for each module with an assessment quiz after each section to determine whether you have achieved the desired outcome/objective. A variety of interactive exercises help you recall and recognize medical terms through word building, identification, labeling, spelling, pronunciation, matching, true/false, fill-in-the-blank, and case studies. Medical record activities and case studies with embedded questions familiarize you with entries and terminology in the medical record. End-of-module exams. in addition to section quizzes. assess your
