Housing Conditions-Like most of the cities of the country there is a shortage but not an acute one of apartments and small homes in Reno. However, the amount of building done in Reno this year was almost three times that of any previous year, and the housing problem is expected to be solved by the summer of 1921. Health Conditions-The clear, dry air, altitude and sunshine of Reno s climate are especially beneficial to health, and persons with lung trouble find relief in Reno. There are no tenements or unsanitary conditions and the city health authorities enforce the laws strictly. Dairies, restaurants and bakeries are inspected regularly, and no refuse is allowed to accumulate in streets or yards. The water supply is pure. Labor Conditions-Labor conditions are good in Reno, which is the shipping point for the labor of the mines, lumber mills, ranches and construction camps of the Nevada and Eastern California territory. There is always work to be found in the trades and unskilled labor markets. The supply of office and store positions is about equal to the demand. There are no strikes or other quarrels between employer and employee in Reno. The trades are on a union basis. Schools-There are five grammar schools, a kindergarten, business college, high school and university in Reno. Plans are now being perfected for the establishment of a junior high school which will take care of the eighth grades and freshman high school classes. The scholarship standard is high and the best laboratory and playground facilities are offered. The teachers are paid salaries above the average, enabling the schools to maintain an efficient teaching...
