Since the introduction of the VW Phaeton in May 2002, Volkswagen has been under pressure as the company did not reach their sales forecast, experiencing dramatic financial losses (Weernink, 2002). It comments on the strategy of VW in terms of branding and positioning. It also considers segmentation, niche and mass marketing as essential issues for VW. Various aspects of these issues are discussed as well as their relationship to customer loyalty, and how they contribute to a business success. Finally, it is summarised why the future of the VW Phaeton is considered to be a bleak. It could be shown that positioning is an outgrowth of segmentation, and therefore, presents an integral part of VW...
