

The Cowboy and the Cossack

By Clair Huffaker

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. Fifteen Montana cowboys and five hundred longhorns are embarking on a one of a kind Wild West adventure: a cattle drive across a thousand miles of Siberia. The clash of cultures between East and West, American six shooter and Russian saber, begins immediately when a band of Cossacks arrives to escort them to their destination. Cowboys and Cossacks must work together or they ll never survive the journey, which includes a meeting with the warrior, Genghis Kharlagawl, and his army of bloodthirsty Tartars. The code of the cowboy and the credo of the Cossack offer different measures of manhood but honor and courage are the same in any language when a common enemy must be faced. Book Lust Rediscoveries is a series devoted to reprinting some of the best (and now out of print) novels originally published from 1960 to 2000.
