PM Press, United States, 2016. Hardback. Book Condition: New. 210 x 135 mm. Language: English . Brand New Book. There is no writer with an imagination as forceful and delicate as Ursula K. Le Guin s. Grace Paley Late in the Day, Ursula K. Le Guin s new collection of poems (2010 2014) seeks meaning in an ever-connected world. In part evocative of Neruda s Odes to Common Things and Mary Oliver s poetic guides to the natural world, Le Guin s latest give voice to objects that may not speak a human language but communicate with us nevertheless through and about the seasonal rhythms of the earth, the minute and the vast, the ordinary and the mythological. As Le Guin herself states, science explicates, poetry implicates. Accordingly, this immersive, tender collection implicates us (in the best sense) in a subjectivity of everyday objects and occurrences. Deceptively simple in form, the poems stand as an invitation both to dive deep and to step outside of ourselves and our common narratives. The poems are bookended with two short essays, Deep in Admiration and Some Thoughts on Form, Free Form, Free Verse.
