Jim Crow Laws Landmarks of the American Mosaic

By Leslie V. Tischauser

Greenwood. Hardcover. Book Condition: New. Hardcover. 215 pages. Dimensions: 9.4in. x 6.7in. x 0.8in. Jim Crow Laws and Lt; presents the history of the discriminatory laws that segregated people by race in the American South from the end of the Civil War through passage of the 1965 Civil Rights Act. To paint a true picture of these deplorable restrictions, this book provides a detailed analysis of the creation, defense, justification, and fight against the Jim Crow system. Among the subjects covered here are the origins of legal inequality for African Americans in the aftermath of the Civil War; the role of the U. S. Supreme Court in weakening constitutional protections against discrimination established in the 13th, 14th, and 15th Amendments; the white justification of segregation; and the extreme brutality of Jim Crow's defenders. Equally important, readers will learn about the psychological, political, social, and economic costs endured by the victims of Jim Crow inequality, as well as about the motivations, rejections, and successes faced by those who stood against these abominations. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
