Visible Ink Press, United States, 2015. Paperback. Book Condition: New. 231 x 178 mm. Language: English . Brand New Book. Brutality and fear. Heroism and sacrifice. Military history is a fascinating, complex, and often contradictory subject. War and fighting between tribes, clans, groups and countries has been with us forever. Great leaders, great villains, pivotal moments and events become transformative, causing political, social, and technological upheavals, which were often built on the foundation of war. The Handy Military History Answer Book is a captivating, concise, and convenient look at how the world, the United States, and the lives we lead today have been changed by war and the military. The weapons, leaders, soldiers, battles, tactics, strategies, blunders, technologies, and outcomes are all examined in this powerful primer on the military, its history and world history. From early Greeks and Romans to Genghis Kahn and other great conquering militaries of the past, continuing on through the civil wars and world wars that shaped the boundaries of today s nations, and to the modern weapons, technologies, guerrilla warfare, and terrorism currently reported in the nightly news, this book investigates everything from the smallest miscalculations and maneuvers to the biggest invasions and battles, as well as the cutting-edge technologies and firepower that led to victories and helped change the world. The Handy Military History Answer Book looks at the who, the what, the why, and the how of conflicts throughout history. It answers over 1,100 questions, from the mostly widely asked to the more obscure, such as: Who cast the first stone (of human history)? Who were the Sea Peoples? Is there anything to the story of Ancient Troy? Could Alexander the Great have conquered the early Roman Republic? How wealthy would each of Alexander s men been had the treasure at Persepolis been...
