

The Zen of Eating: Ancient Answers to Modern Weight Problems

Filesize: 4.86 MB

Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

(Dr. Marcel Collins)

Penguin Putnam Inc, United States, 2001. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. When it comes to weight loss, the emphasis today is shifting away from fad diets and compulsive workouts toward sane, sensible techniques that incorporate both the mind and the body. This is the first book to apply the 2,500-year-old principles of Zen Buddhism to the modern struggle with the vicious cycle of dieting, losing, and regaining weight. From a Buddhist perspective, overeating is a disorder of desire. This book will teach readers how to find freedom from eating problems and the tyranny of desire that triggers them. Filled with concrete, practical exercises and the wisdom of the ages, *The Zen of Eating* provides, at last, an alternative to ineffective diet programs, products, and pills.
