Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. What should I do with my life? or What is my life purpose? what they re actually asking is: What can I do with my time that is important? Do you feel lost or as if something is missing in your life? Maybe you want to make a bigger difference in the world than you feel you are, but you aren t sure how. The good news is that this book will help you. This book is very helpful and concrete. The ways really help you to open up and explore yourself, One of the most fundamental questions we ask ourselves is Why am I here? In our efforts to answer this question, many of us become motivated to seek another path, one that will lead to greater personal and spiritual fulfillment. The same is true of our professional lives. This book helps you find a level of success in your career by guiding you through the process of self-discovery. The knowledge you gain will help you clarify your values, recognize your talents and skills, and overcome the intuitive blocks you may have. Filled with many thought-provoking ways and friendly advice, this book will show you how you can find your purpose and change your life. There is such variety in general in content that was thought provoking as well as inspiring and it is presented in a way that, at least for me, I was inspired and encouraged to do more and to be more. This book is something that lets you think deeper about your journey as well as about your relationships with others. You will also be able to think about the...
