This delightful series is the result of the collaboration between Tundra Books and World Vision Canada to bring an array of exceptional photos from around the world to very young children. Each book centers on a universal theme, familiar by its very nature, yet new due to faraway settings and ethnic, cultural, and socio-economic diversity. Each remarkable photo essay will foster discussion, observation, and many smiles as children compare and contrast their own experience to that of others. Watch for further books in this series.
