CHATROOM

Samuel French Ltd. Paperback. Book Condition: new. BRAND NEW, Chatroom, Enda Walsh, The six teenagers in Chatroom never meet each other, they just communicate via the internet; conversations range in subject from Britney Spears to Willy Wonka to suicide. Jim is depressed and talks of ending his life and Eva and William do their utmost to persuade him to carry out his threat. From this chilling premise Enda Walsh has forged a funny, compelling and uplifting play which tackles some of the issues of teenage life head-on and with great understanding. "Chatroom" was first seen as part of the "Shell Connections" series at the National Theatre in London in 2005. This play contains strong language.
