CRS Report for Congress: Navy Virginia (Ssn-774) Class Attack Submarine Procurement: Background and Issues for Congress: January 11, 2011 - RL3

By Ronald O Rourke

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The Navy has been procuring Virginia (SSN-774) class nuclear-powered attack submarines (SSNs) since FY1998, and a total of 12 have been procured through FY2010. From FY2001 through FY2010, the boats were procured at a rate of one per year. Under Navy plans, the procurement rate was to increase to two boats per year starting in FY2011. The eight boats to be procured in the five-year period FY2009-FY2013 (boats 11 through 18, in annual quantities of 1-1-2-2-2) are being procured under a multiyear procurement (MYP) arrangement. The Navy's proposed FY2011 budget requested \$3,441.5 million in procurement funding to complete the procurement cost of the 13th and 14th Virginia-class boats. The FY2011 budget estimated the combined procurement cost of these two boats at \$5,344.4 million, and the boats through FY2010 had received a total of \$1,903.0 million in prior-year advance procurement (AP) and Economic Order Quantity (EOQ) funding. The Navy's proposed FY2011 budget also requested \$1,436.8 million in AP funding for Virginia-class boats to be procured in future years, and \$254.4 million in Economic Order Quantity (EOQ) purchases...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
